

### Acorn Class Update: Friday 2<sup>nd</sup> Friday 2024

This week the Little Acorns have been spending lots of time outside, initially exploring capacity, which then turned into playing cafes and taking orders for food and drink, which then led to lots of writing!

The children really enjoyed the visit from Fred, the athlete who is training to take part in the Paris 2024 Olympics in the 400 metres. He was very inspirational and the children had lots of fun completed the circuits.

The children have been learning about animals, mini-beasts and birds which are native to our shores. They have created word banks for each category and will be coming home with an I Spy check list to mark off any wildlife they see. These do not need to be brought back to school, but please do keep us informed of any 'spottings!'
