

### **Acorn update – Friday 11<sup>th</sup> June 2021**

We have had a wonderful start to the final term of the year. Firstly, I must say a well done to all the children (and parents!) for remembering to come to school in the right clothes each day.

Next week it will be:

Monday – school uniform

Tuesday – PE kit

Wednesday – forest school clothes – including long sleeves and long trousers (in case of stinging nettles!)

Thursday – school uniform

Friday – PE kit

On Monday we launched our new topic ‘Wriggle and Crawl’ with a mini beast hunt in the afternoon. We found lots of different interesting creatures and enjoyed using magnifying glasses to have a close up look at them.

On Tuesday Reverend Neil came to visit us. He told us all about himself and we told him about our school and what our favourite things to do are. We had our first session with the Youth Activators on Friday which was very exciting everyone really enjoyed running around and burning off some of our extra Friday energy.

In English, we have started our new book. We first looked at the front cover and thought about the main character and who they might be. We then thought about how this character looked (appearance) and what the character was like on the inside (personality). Once the cover was revealed we read the first few pages and found out that the main character is a little girl who lives with animals in the wild. We then answered questions and gave reasons why we would or wouldn't want to live in the wild.

In maths we have been learning about fractions. We have learnt about fractions (halves) of a shape and an amount and have practiced representing them.

#### **NOTICES:**

- **Sun hats popped into book bags**
- **Water bottle in school each day please**

Enjoy the weekend,

Miss Blake & Mrs Evans
