

**Acorn update: Friday 15<sup>th</sup> November 2024**

This week has been *World* Nursery Rhyme week (not National as I mistakenly said in last Friday's update!). The children have enjoyed singing along with the rhymes each day and participating in all the activities which have followed.

The children have been decorating and sailing boats, made by Mrs Herbert, in the outdoor area linked to the rhymes 'The Big Ship Sailed on the Ally Ally Oh' and 'The Owl and the Pussycat'. The little Acorns have been practising their fine motor skills this week by following zigzag, curvy, circular and straight lines linked to the rhymes 'Twinkle Twinkle Little star' and 'Incy Wincy Spider'.

This week we have been excited to see all the amazing coloured leaves which have fallen in our outdoor area. So, we went outside as part of our active learning time this week and matched the seasonal colours to coloured cards. Then we found natural objects of different colours and collected them in egg trays to look at closely.

Thank you for all your donations for Children in Need today, all the children have had a great day with Pudsey even popping up in phonics!!

Have a great weekend

Ms Blake
