

**Acorn update: Friday 29<sup>th</sup> September 2023**

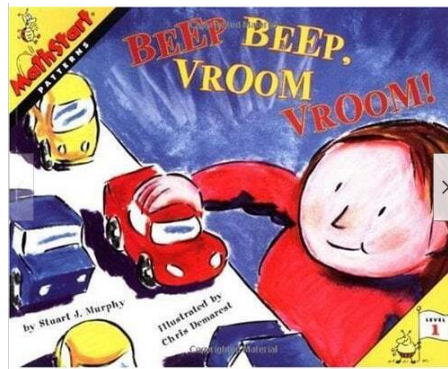

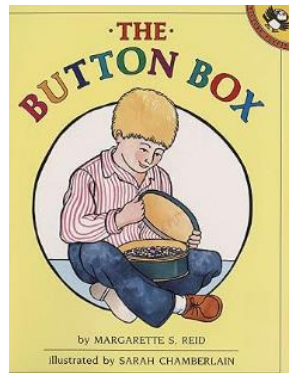

Thank you to all families who were able to support the Macmillan cake sale today. Your children enjoyed their cakes at break time, followed by a big outdoor time afterwards to burn off the sugar!

This week the children have been thinking about where they live. They used our floor 10 frame to represent themselves. They were able to compare how many children lived in the different villages.

The children enjoyed talking about their locations and what amenities exist there. We discovered that the most popular village places to visit are the park and the pub!

In maths, the children have been using the vocabulary same, different, match, sets to sort and describe a range of objects. The books they have enjoyed this week have been 'The Button Box' and 'Beep Beep, vroom, vroom'. These books are great for talking about matching and comparing. They are available to watch on YouTube too.

The Little Acorns have been using their phonics to read and write in the learning space and their enthusiasm has been contagious!

*“Look I have found the letters we have been learning in phonics – s c i p t”*

*“I have written the word fish (fiv) to go with my picture”*

Please come and join us in Thursday 5<sup>th</sup> October 3.30-4.30 (this is next Thursday) in Acorn for our phonics workshop (crèche available) to help support your child with their phonological development.

Next week we will be starting our learning about Autumn. On Tuesday we have all the children attending Acorn so we are heading out to our big field (on the school site) to look for signs of Autumn! So make sure your child has a coat in school and wellies. Most children have wellies as spares have been allocated – so please ask your child.

Many thanks for your continued support & have a nice weekend.

Ms Blake
