

Appendix to our Behaviour Policy

Pupils must:

- follow any altered routines for arrival or departure
- follow school instructions on hygiene, such as handwashing and sanitising
- follow instructions on who they can distance socialise with at school, which only includes children within their designated group.
- move around the school following adults instructions about direction, distancing, and so on.
- have no physical contact with other children or grown-ups (unless they are receiving medical treatment or care with hygiene) making every effort to maintain a distance of at least 2 metres from others.
- follow the 'catch it, bin it, kill it' routines for coughing, sneezing and blowing their noses with tissues.
- try and avoid touching their mouth, nose and eyes with hands
- tell an adult if they feel poorly or are experiencing symptoms of coronavirus
- never share any equipment with other children or any other items, including drinking bottles
- follow instructions at play times about where they may play and who with
- only use the toilets allocated to their group
- always cover their mouth when coughing (then wash hands thoroughly)
- never cough or spit at, or towards, any other person
