

As a learner, I am...

**The Mayans**  
**Summer term 5 – Oak Class**

As a historian, I am developing my understanding of the achievements of the Mayan civilisation.

As a geographer, I am learning about the physical and human features of Mexico and using photographs to explore and describe both aspects. I will also be using a range of map skills to locate where Mexico is.

As a scientist, I am describing the differences in the life cycles of a mammal, an amphibian, an insect and a bird. I am also describing the changes as humans develop into old age.

In my Physical Education, I am learning the key skills that are needed for Rounders and Cricket.

As a musician, I am beginning to understand about the genre 'Jazz' and also the importance of improvisation.

As an Artist, I am exploring and identifying how the ancient Maya sourced their dyes from plants, minerals and animals.

In my study of French, I am learning some key phrases and vocabulary, as well as consolidating how sentences are formed.

In Computing, I will know what the 2Design is and explore the different viewpoints in 2Design. I will also be learning to refine my designs.

In Religious Education, I am focussing on the question 'Can we know what God is like?'

In PSHE, I am looking at 'Keeping myself safe', this includes keeping healthy and discussing the dangers of alcohol and drugs. In our KIVA sessions I am learning different strategies for keeping myself and others safe.

In my study of English, my key text is 'The Explorer'. I am writing to entertain with a focus on narrative.

As a mathematician, I am learning and applying through mastery key mathematical concepts.
