

Beech Class Update 20.05.22

We have had an interesting week in Beech. We had a couple of art sessions all built around, The Great Fire of London. We created flames using a range of mediums. Some children used printed, while others sketched. We also had a collage table. It was lots of fun. We will be making a very special display using our flames.

It's been a busy week all around. We are extremely proud of our Year 2 children who completed their SATs this week. They have worked so very hard. They ought to be feeling super proud of themselves.
