

Beech Class Weekly Update  
Friday 17<sup>th</sup> November  
Geography: Locating the Arctic Circle

*Science: Exploring the features of mammals and sorting animals into different groups.*

Maths: Year 2 were using the base ten to find number bonds to 100 (in tens) while year 1 learnt number bonds to 10.

Thank you for your support and contributions with shoe boxes and crafty bits for our upcoming project! We are very excited to begin.

Have a lovely weekend,

Mrs. Oliveira
