

Good morning everyone!

I am so sorry that I have not been able to record a Daily Hello today. I have been so busy planning our new topic, photocopying the home learning packs and arranging parent-meeting appointments that I have completely run out of time!

However, tomorrow (the last day of the half term) I will send you a very special message! So I hope that will be ok and you do not mind too much about not seeing me today.

Today it is Thursday 11th February 2021 – see if you can write that by yourself.

Morning task:

Reception children

- Re-watch the handwriting video and have a go at writing all the letters of the alphabet!
- Write a list of words from your word bags (that is 10 words). I am looking for lead on and off lines and correctly formed letters

Year 1

- Today in your pack is the real and nonsense word reading and colouring and the roll and read word game for the digraph 'ai'. See if you can complete both of these today.

Maths:

Reception: Oak Academy: [Revision and practise \(thenational.academy\)](https://www.thenational.academy/revision/practise)

Year 1: Oak Academy: [To experience standard units of mass \(thenational.academy\)](https://www.thenational.academy/experience/standard-units-of-mass)

Please upload one example of your maths work onto Purple Mash so I can mark it and give feedback. Thank you 😊

Science:

- Today is science time, investigate the Crest award set for this week - Slippery Slidey shoes!
- <https://primarylibrary.crestawards.org/star-home-learning/63263936>

Topic:

- You could: spend some time tidying and cleaning (in preparation for having a family meal) or just a space which needs a tidy!
- Or you could: help with preparing a meal, or plan to have some Chinese food and see if you like it.
- Alternatively, we have set some brilliant Chinese New Year art work for you to complete on Purple Mash (they are in the 'to do' part of Purple Mash) in case your adults need a rest!

I hope you have a good day today – Friday tomorrow!

Take care

Miss Blake 😊
