

Good morning everyone!

I hope you have had a nice half term and had a break from learning. I hope that we will be able to see you back at school very soon.

Today it is Monday 22<sup>nd</sup> February 2021. Have a go at writing the date on your whiteboard.

## Our new topic is Splendid Skies!

### **Morning task:**

#### Reception children

- Watch the video to explain the 'I spy and read' phonics for this morning (if you are unable to access the video: children need to segment and blend word for reading and then draw a line to the matching picture. This is Phonics week 1 in your packs)

#### Year 1

- Watch the video of the spelling pattern for this week and practise reading and writing the words with ea in (previously taught as ee)

### **Maths:**

Reception: Oak Academy: <https://classroom.thenational.academy/lessons/counting-up-to-15-objects-and-putting-them-in-order-part-1-65hkcc>

Year 1: Oak Academy: [To use the 'Make ten' strategy to add two 1-digit numbers \(Part 1\) \(thenational.academy\)](#)

*Please upload one example of your maths work onto Purple Mash so I can mark it and give feedback.  
Thank you 😊*

### **English:**

- Today we will be thinking about Bees as a start to our new topic Splendid Skies.
- Have a talk to someone in your family about Bees. Make a list (or adult to scribe) of what you know about Bees already (what colour they are, where you have seen them etc).
- Now have another think about what would you like to know about Bees (that you don't already).
- Year 1 children: Write a list of questions (remember those question words – what, where, when, who, etc) for what you would like to find out and remember to add a question mark instead of a full stop.
- Reception children: Draw a picture of a bee and write one thing you already know about them.
  
- Enjoy listening and moving to this Let's move radio programme:
- <https://www.bbc.co.uk/programmes/b03g6vs6> - Waggle dance (all about Bees!)

### **Topic:**

- Watch these clips, which show different kinds of weather.  
<https://www.youtube.com/watch?v=e0kNsYEMRjI>

<https://www.youtube.com/watch?v=sGkh1W5cbH> .

- Now have a talk about the different kinds of weather you have seen or been in.
- Create a poster to show these different types of weather using pictures and labels. I can't wait see your creations. Take a few days if you need to 😊

*I hope you have had a good first day back and have enjoyed thinking about bees and weather (and are not too worn out!)*

*Take care*

*Miss Blake 😊*
