

## Home learning – Wednesday 27<sup>th</sup> January 2021

Good morning everyone.

**Today it is Wednesday 27<sup>th</sup> January 2021. You should be really good at writing the date by now. See if you can write it without copying it! Remember to break down 'Wednesday' into wed nes day.**

### **Morning task:**

#### Reception children

- Read one list of word cards (let me know if you need more!)
- Practise both set of handwriting from last week (videos of the Acorn Home learning page)
- Practise writing your numbers (see attachment on the Acorn Home learning page)

#### Year 1

- Read and write your spelling word for this week (previously taught as ue, oo)
- Today is Grammar and we are learning about 'past tense' and adding ed to a verb
- Watch the video on the Acorn Home learning page and complete the **Past Tense** sheet in your pack

### **Maths:**

Reception: Oak Academy: [Ordering objects by size \(thenational.academy\)](https://www.thenational.academy/learning-objectives/14777)

Year 1: Oak Academy: [To compare lengths and heights of objects \(thenational.academy\)](https://www.thenational.academy/learning-objectives/14777)

**Please upload one example of your work onto Purple Mash so I can mark it and give feedback. Thank you 😊**

### **English: Thinking about what happened in the story of Katie in London – make up your own story!**

- Decide on an adventure, which involves meeting an animal who takes you on an adventure.
- What animal will it be?
- Where will you meet them?
- Where will you go and what will you see?
- After lots of talk - make a comic strip style picture story. Watch the video to give you an idea about making a comic strip story of your adventure or you may have another way of recording your story. Be as creative as you like!

**You can create your stories over today and tomorrow – as it might take a bit of time 😊 Enjoy being imaginative and creative!**

**Forest School: The Great British Bird Watch**

<https://www.rspb.org.uk/get-involved/activities/birdwatch/everything-you-need-to-know-about-big-garden-birdwatch/>

See how many different birds visit your garden or you see on a walk – record them and see which birds are popular and which are not. I wonder what you will find out?

*Have a good day little Acorns!*

*Miss Blake*
