

Home learning – Wednesday 3rd March 2021

Morning task:

Reception:

- Play the word Bingo game which you made last week. See if you can play it in a different way – maybe as a pairs game with someone in your house. Put all the cards face down. Pick up two. The cards must match (picture and word). Turn them back over again (remember where they are) if they do not match. If they do match, you can keep them.
- Read your word bag list and/or your reading book

Year 1:

- Today it is grammar and we learning about Adjectives – you used some of these yesterday to describe your special place.
- Watch the Grammar video and complete the sheet in your pack with the snakes on.

Maths

Reception:

- To apply knowledge of one more and one fewer (part 2)

<https://classroom.thenational.academy/lessons/applying-knowledge-of-one-more-and-one-fewer-part-2-ctk30c>

Year 1

- To use number bonds when subtracting

<https://classroom.thenational.academy/lessons/using-number-bonds-when-subtracting-c9h3jd>

English:

- Watch the video of Miss Roseblade reading the next part of the story on of the Acorn Home learning page.
- Think about who your friends are
- Write the names of between 4 and 6 friends and write something that you really like about them.
- Use your writing book for this work

Topic: Forest school! We have checked the weather and rain is predicted!! Hooray!

- Today in Forest school we are going to be finding and jumping in puddles and making rain gauges
- Put your wellies on and go out in search of puddles!
- Jump in them, over them and around them – have a fun time!
- Then (when you have maybe dried off!) have a go at making your own rain gauge to measure rainfall each day over the next few weeks:
- Here is a link to show you how: <https://www.youtube.com/watch?v=BdeKdTOnwow>

Have a good day – see you tomorrow – Miss Blake
