

Beech Class Weekly Update
Friday 10th November 2023

This week the children wrote descriptive sentences about polar bears. They were incredible. Everyone has been working on their spelling and presentation. I was a very proud teacher!

Today KSI took part in Cross Country running - they ran 800m! Thank you to all of our supporters (aka helpers) today. We really appreciate it.

*Thank you for your continued
support with everything.*

**THANK
YOU**

Have a restful weekend,

Mrs. Oliveira
