

WOMBATS SCHOOL COUNCIL 2017-18

Hot Spots

We love:

- Our school
- Our teachers
- The book corners in our classrooms
- The displays around school (but some need changing!)
- Our Building Learning Power Boards
- Our outdoor spaces
- Forest School
- Joint Topic Working & whole school projects
- School Trips

Grot Spots

We think:

- We should paint feature walls in Willow and Oak so they look warmer and friendlier.
- We should paint the entrance and library in New School.
- We need to keep our classrooms tidier.
- That the digging pit gets a bit mucky—we should only use it when the soil is dry and then sweep up.
- We need to replace our outdoor equipment & WOMBATS want to be involved in deciding what kind we want.

Over the last four years, WOMBATS have done such a good job of getting their GROT SPOTS sorted out, there aren't many left, but there are loads of HOT SPOTS !
