

Dear Parent/Carer

Please find attached day one of home learning. These are just interim activities for your child until a more personalised selection of activities can be sent through. Included are:

- Maths – we have included an Arithmetic Paper – please do not feel that all the questions have to be answered but just to do as many as your child can (answers are at the back)
- Literacy – There is a picture and then follow up questions to answer. They should be self-explanatory but please email if you need any help or assistance.
- Spellings – attached are the termly spellings please continue to learn them and if have time pop them into some sentences.
- Reading – please make sure you do 20 minutes reading and then talk about it with an adult.
- Topic – please explore Purple Mash for relevant activities.
- P.E. Make up your own circuit (please see attached fitness cards to help).
