

Question Time

1. Whose hands do we see in the picture? Why do you think this?
2. If you held the world in your hands like this all day, what would you need to do to make sure it stayed safe?
3. Do you think there are beings out there in the universe who could hold planet Earth in their hands?
4. If you could choose any planet to hold in your hands, which one would it be and why?
