

Weekly Update – 17th September

Oak Class

P.E.

This term we are focussing on Tag Rugby, this week the children have been revising their throwing and catching skills. It was so nice to have Willow Class with us – the children so enjoyed all being back together again and learning from each other.

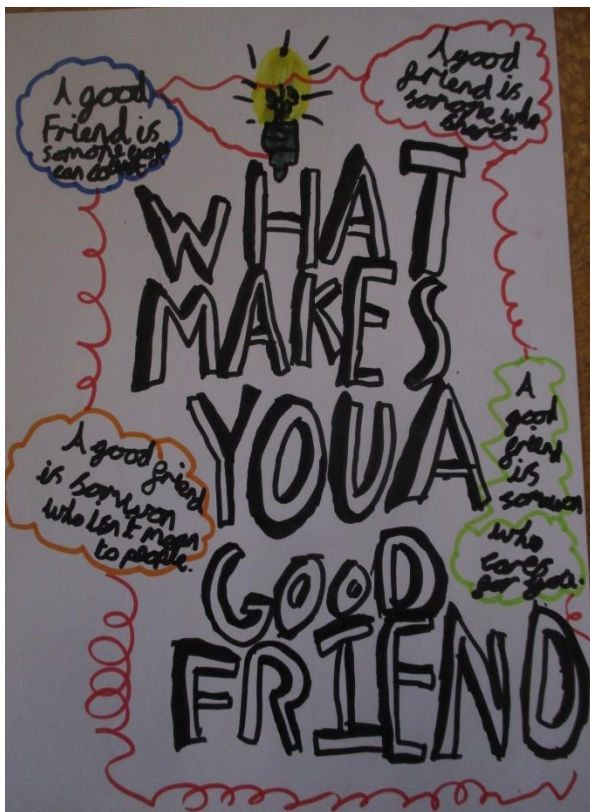

Maths

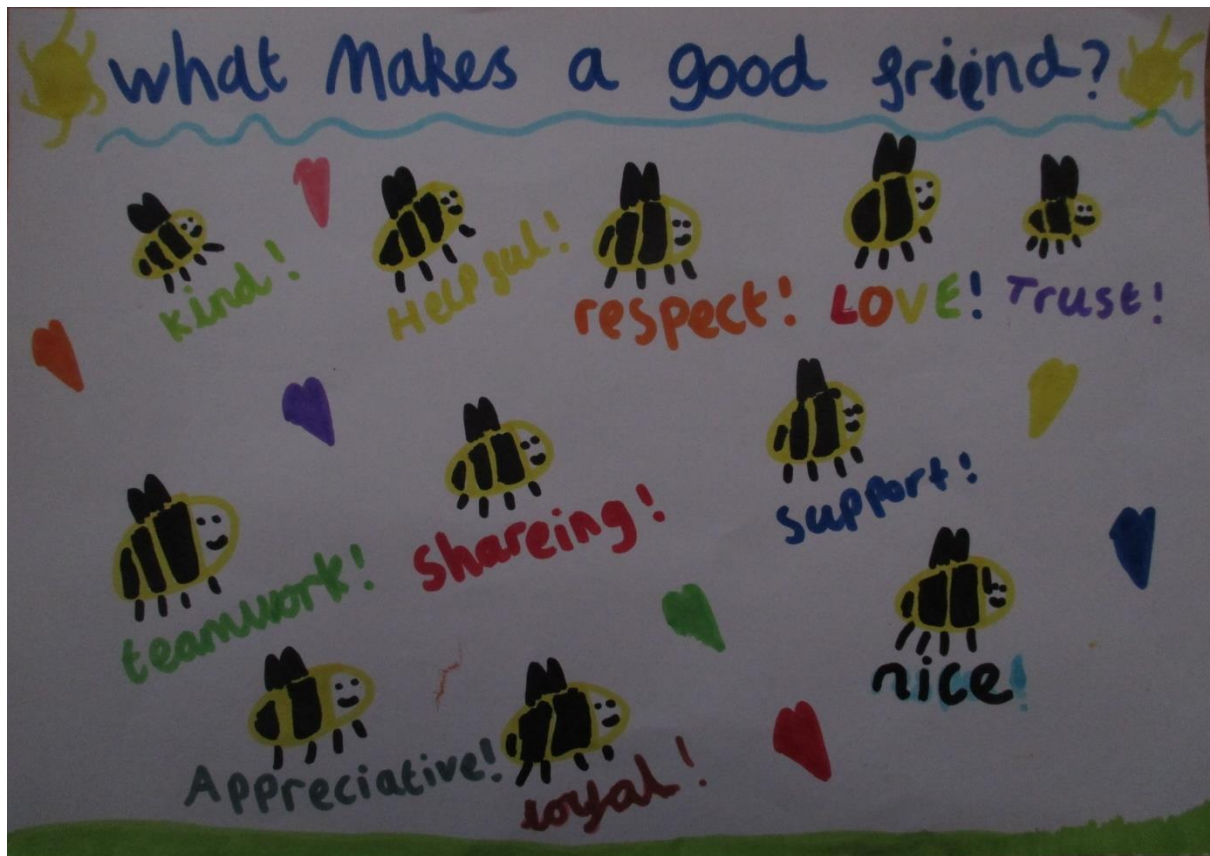

In Maths, we have been using our place value skills and revising the values of each digit in a number. We have then consolidated our learning with problem solving and reasoning questions.

PSHCE

We have been talking about what makes a good friend and the qualities we need to be the best friends we can be to each other. The children came up with some lovely ideas and then designed their own poster.

Have a lovely weekend.

Best Wishes,

Mrs Humphrey & Mrs Downes
