

**WE ALL HAVE THE RIGHT
TO FEEL SAFE ALL THE
TIME**

**450,000 CHILDREN
ARE BULLIED AT
SCHOOL AT LEAST
ONCE A WEEK**

**Teach
children not
to keep
secrets if
they don't
feel
comfortable
or have been
threatened**

Would you like your child to:

- Have self-confidence?
- Understand about responsibility?
- Talk about their feelings?
- Feel safe?
- Know what to do if they don't feel safe?
- Have a network of people at the ready in case they need help?

**Teach
children
problem
solving
strategies**

At least
1 million
children
and young
people are
harmed
each year

**The staff at this school have been
trained in 'Protective Behaviours' by
'Taking Care'**

As part of the children's personal, social and health education they will be learning strategies for keeping themselves safer in a wide variety of situations.

Parents
need to be
involved in
preventive
child safety
education

Many of the effects of
child abuse are long
lasting and persist into
adulthood

**THERE IS NOTHING SO
AWFUL WE CAN'T TALK
ABOUT IT WITH SOMEONE**

Taking Care

Helping children learn to keep themselves safer
