

| Week 2 Spring 2 | | Y1 Grammar: adjectives Y1 Phonics: igh | |
|---|---|---|---|
| | English | Maths | Topic |
| Monday 1st March | Watch the video: 'The boy who lost his bumble' – our new class book. What do you think this book is about? Draw a picture and write a few sentences to explain. | Rec: Knowing one fewer than 15 | Weather watchers! Start to keep a weather diary and record the weather each day (Purple Mash template) Mash cam – make yourself a weather person! https://www.bbc.co.uk/programmes/b03g6vws - Let's move Autumn is here again! |
| | | Y1: To use maths models and strategies for addition | |
| Tuesday 2nd March | Watch the video of the first page being read. Think about a favourite place in your garden or home and explain why you like it. | Rec: Applying knowledge of one more and one fewer (part 1) | Vivaldi - Four Seasons (Winter) - YouTube Listen to and talk about the music – you might like to draw a picture of how it makes you feel. |
| | | Y1: To use maths models and strategies for subtraction | |
| Wednesday 3rd March | Watch the video for today - Write the names of between 4 and 6 friends and write something that you really like about them. | Rec: Applying knowledge of one more and one fewer (part 2) | Forest school: puddles & rain gauges Go outside and jump around in any puddles you can find. Then make your own rain gauge to measure rainfall each day over the next few weeks: https://www.youtube.com/watch?v=BdeKdTOwvow |
| | | Y1: Using number bonds when subtracting | |
| Thursday 4th | Think about all of the fun things you have been doing as part of home school. You could make a list, draw a picture or write about your favourite memory. Take a photo of any pieces of work that you feel really proud of. (photo can contain more than one thing!) | Rec: Using the guess and check Strategy for problem solving | Think about what you are really looking forward to about coming back to school. Talk about this with someone in your house. Again you might want to draw a picture or write a list to share your ideas. |
| | | Y1: Using doubles to calculate near doubles | |
| Friday 5th | Reading comprehension Spelling Test Times tables | | Yoga and French – Enjoy! Wind and the Beaufort Scale – learn about windy weather (Maddie Moate video) Activity – make a model kite (Cbeebies How to video). |
