

Beech Class Weekly Update Friday 16th December

What a super fun week it has been! On Monday, we had a letter from a robin who has been visiting outside. Then, like magic, minutes after we had read the letter, a robin appeared on the fence outside the window and sat looking in at the children. It was incredible! This inspired us to write replies to the robin and leave some raisins outside. When we came to school on Tuesday, there was no note left from the robin. Then just at the children came into school, a robin flew into the building and through Beech Class! You couldn't have scripted it. Ms. Blake ensured he was safely released from Acorn Class.

Please do ask the children about this! It was brilliant.

On Friday, we had a Christmas Crafternoon! You will receive these treasures early next week!

Have a great weekend,

Ms. Keogh
