

Nativity rehearsals are in full swing. I wonder if you have been waking up singing the songs too?

They are very catchy! We look forward to welcoming you next week.

Ask me about: Gratitude Wreaths

Every day in December we will be writing and drawing what we are grateful for. The challenge is finding something different every day. We will be attaching the leaves to make a wreath. The children will take these home to share with you all before Christmas.

Please see the home-learning task to discover what we have been learning about in English and Maths.

Have a wonderful weekend,
Ms. Keogh and Mrs. Coventry
