

Good morning Willow Class,

I hope you have all had a lovely week. I am missing you all very much- I am looking forward to seeing many of you on our scheduled video calls.

I went on a lovely walk with Alfie after work this week. We walked for 4 miles and he met some doggy friends. Alfie was very hot afterwards so had a little chill on his 'cool mat' (doesn't he look cute?). I bet many of you have been on some great walk. Did you find any secret treasures?

I want to say a **HUGE** well done to you all. It has been a very long time out of school. I am so proud of how you are all working and continuing with your learning at home. Remember to do things that make you smile- you are nearly there!

Home Learning

Literacy: I understand that some of you may need a change from the Hamilton resources. If you are still enjoying the resources, please continue using them 😊 we all work in different ways. For those who need a little break, I have uploaded a literacy folder full of creative writing activities and reading comprehension sheets for you to have a go at.

Maths:

Year 3- Symmetry. 2D shapes and adding.

Year 4- Subtraction and perimeter of rectangles.

If you fancy a challenge this week, I have also uploaded a folder of maths mastery challenges for you-ENJOY!
