

Dear Parents and Carers,

Happy New Year!

We are sorry that we will not be seeing many of your lovely faces in school but we are thinking of you and are here to help and support your home learning journey.

Every Friday, we will upload the following week's timetable on to our home learning pages and the weeks learning can be accessed via the 'Purple Mash Portal'. To help support you at home, please regularly check our home learning pages for our daily 'hello' videos and Purple Mash comments.

Each day there will be a maths and literacy task followed by afternoon activity/activities.

As always, we know this is a very difficult and stressful time and all that we ask, is you do what you can under the circumstances.

Please remember that we are here to help and support, and would love to see any work that you have completed. You can contact us via our class emails or upload your work onto 'Purple Mash'.
