

Willow Class

Weekly Update- Friday 13th October

Maths

Their little brains have been busy this week. We have been learning how to calculate more or less than a given number. By the end of the week, we had some children working out 5 digit numbers. Not only have my lovely Willow's been able to work out more/less than a given number, they have also been working extremely hard on their mastery vocabulary and being able to explain the process. A busy week but a successful one! [One more and one less within 10 - Maths - Learning with BBC Bitesize - BBC Bitesize](#)

Another wonderful week with our 'Book Club'. To celebrate Diversity and Black History month, we explored a range of books. This was amazing! As a class, we found out lots of interesting facts and information about some very empowering people. The discussions that came from these books were just lovely! I was extremely impressed and proud of their maturity when asking questions about certain events.

A huge well done to our GIRLS who took part in the Warriner under 9s football tournament- they were **ALL** amazing and played brilliantly!

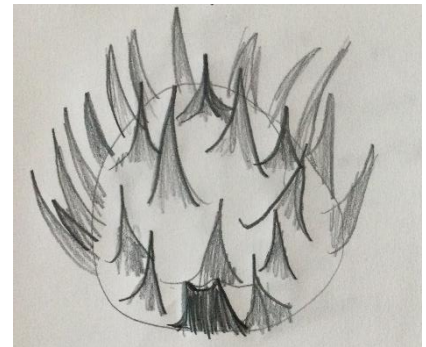

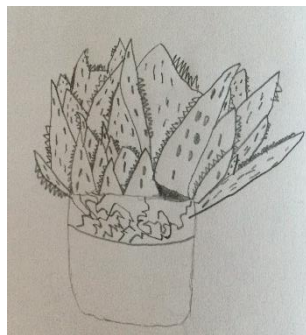

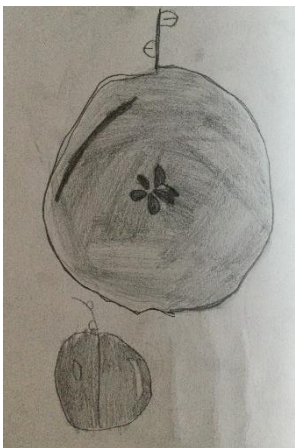

Our Kindness Wall- in Willow Class, we are one big family. We appreciate and value you everyone. **Kindness is key.**

15 minutes sketching

Every week, we make time for 15 minutes sketching (on top of our weekly art lessons).

The children absolutely love this time. I think you will agree, their sketching is wonderful and very creative!

Willow Class Reminders/Events

- PE days are Mondays and Tuesdays- children need to come into school wearing PE kits and a spare pair of shoes
- Spelling test: **Friday 20th October 2023**
- **Thursday 19th October 2023-** Harvest Festival (9:30am)
- **Friday 20th October 2023-** Wear **RED** against racism- **LAST DAY OF TERM**

Please can I ask that all items of clothing are labelled- we have lost many jumpers and cardigans this week. Thank you in advance

Have a lovely weekend, keep smiling- nearly there 😊
