

Weekly Update
Friday 24th October 2024

We made it!

First term completed successfully. Well done Willow Class.

We have had a great week in literacy. It started with some very exciting POST. We have just finished reading 'How to train your dragon' by Cressida Cowell. She found out that we were reading her fabulous book (Mrs Davies had sent her a letter back in the summer) and she replied.

You can imagine the excitement when her letter came addressed to Willow Class.

"I nearly popped with excitement"

The children were extremely animated and decided that we MUST write back to her. Once our letters were finished, we took a lovely walk through the village to post them!

To finish off a wonderful term of learning, the children requested book club with their 'teddies'.

This was a lovely way to finish our term. We had hot chocolate, marshmallows and biscuits whilst listening to some of our favourite books. It can't get much better than that!

Have a wonderful week off!
I look forward to seeing my lovely Willows on Monday 4th November.

Best wishes, Mrs Davies and the Willow Class Team x
