

Weekly Update- Friday 8th
December 2023
Willow Class

Literacy

I am SO proud of my lovely Willows. All their hard work paid off. They have all created the most wonderful 'explanation' texts for their robots. I was blown away by their technical vocabulary.

SANTA FUN RUN...

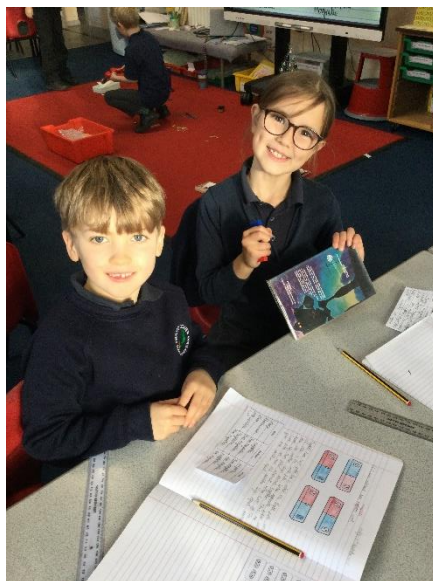

Relays and games in the hall (Thank you for your donations)

Science

We have really enjoyed our theme this term... **MAGNETS!** The children have been so motivated and enthusiastic with every lesson. We have enjoyed learning about magnets and had great fun investigating a range of different items!

Our Homework Celebration

Where: Willow Classroom
 When: Monday 11th December
 Time: 2:45-3:20pm

Please can all children bring in their 'topic' homework for this day. The children will be able to share and explain to families and friends what they have created and been working extremely hard on. In addition to their fabulous homework, we will also be sharing other aspects of our learning too.

We hope you can make it,
 Best wishes,
 Miss Grantham, Willow Class and Team

Upcoming Events

PE- Mondays and Tuesday- As it gets colder, please encourage children to bring layers, spare shoes and socks (we have had lots of cold, wet little toes!)

Monday 11th December- Our Homework Celebration
 (Letter on our class page)

Have a lovely weekend, wrap up warm! Best wishes, Miss Grantham and Team x

There is NO maths homework this week. Children are to focus on their 'Topic Homework' for Monday.
