

Weekly Update
 Friday 9th February 2024
 Willow Class

A fabulous week to finish off a fabulous term!

Homework Celebration

Thank you SO much for all making the time to come into our class on Monday (And for all the effort that went into their projects). The children thoroughly enjoy having you in and we do too!

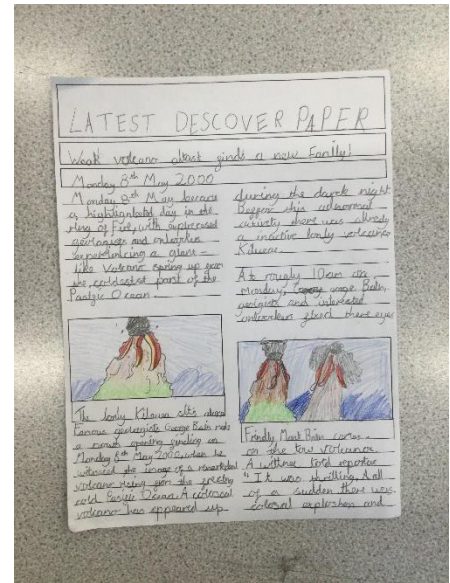

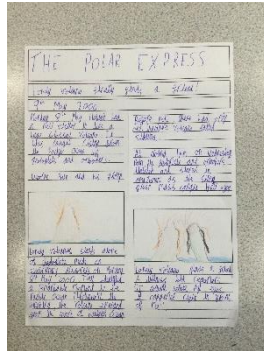

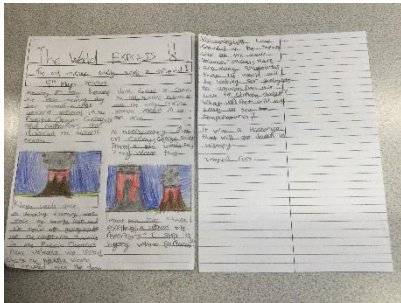

All equally wonderful!
 Well done Willow Class x

Next time... Tea and coffee!

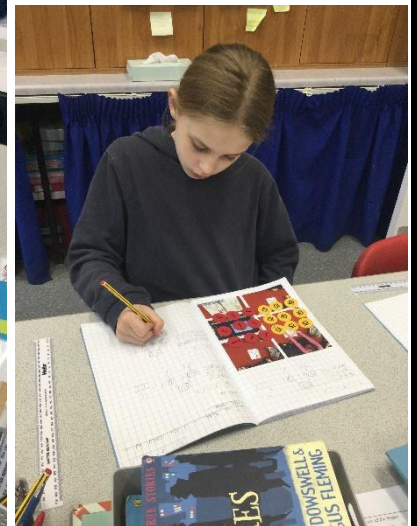

News paper reports- What a success!!

This has been a real challenge for many but with their motivated and determined attitude, we got there!

Part Whole Method- Achieved!

I couldn't be more proud of Willow Class this term. They have worked extremely hard, especially in maths. We have been learning new methods for multiplication and division. With a lot of hard work (from both sides!) they can ALL complete a question and show their workings! Well done my little Willows!

Finally... VOLCANO DAY!

*Their little faces
say it all!*

*Have a wonderful half term, ENJOY!
Best wishes, Miss Grantham, and the Willow Class Team x*
