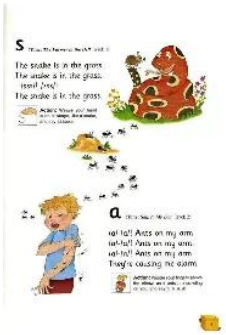
Acorn Update: Friday 11th September 2026

Welcome to the new school year in Acorn class. We are delighted to welcome back the families who were in Nursery last year and who are now in Reception, the families who have children staying with us in Nursery for their last year and to the families who are new to our setting.

All the children have settled in well (with barely any tears) and many new friendships have been made.

The children in Reception have started to learn phonemes using the Jolly Phonics resources and have learnt the sounds 's, a, t, p & n'. In order to support your child please practice the actions for each phoneme each day.



Your child will have brought home a book from the Acorn class library for an adult to read to them at bedtime. Please return these books (we keep a list if you forget which book you have) once they have been enjoyed and swap them for another.

The Little Acorns have been getting to know each other, exploring the inside and our new outside provision. Some activities they have enjoyed have been making spaghetti in the outdoor kitchen, painting, water-play, sand-play, play dough, listened to stories, mark-making and much more!

We wish you a great weekend, and we are looking forward to more learning and fun next week!

Ms Blake, Mrs Herbert & Mrs Benjamin
