

### Acorn update – Friday 12<sup>th</sup> March 2021

It is so lovely to have all the little Acorns back in school this week.

Thank you for doing such a super job in supporting your children (or children) at home since January. This has meant they have been able to show their newly learnt skills and have been confident in returning to the classroom.

All the children are now back in the routine of handwashing and being responsible for their belongings. Children have been working hard in phonics, maths, English and their topic work and it has been a pleasure to teach them face to face again.

Mrs Gardner, who is our PE lead from The Warriner MAT also commented on how well the children were able to listen and follow instructions, she was also impressed at all the PE skills they remembered.

It has been an exciting week all round, as we had a virtual visit to The Warriner farm hosted by Farmer Marie (this will be every Thursday at 10.20). We were lucky enough to see a lamb being born right in front of our eyes! The children (and adults!) could not believe the perfect timing.

#### **NOTICES:**

- If your child has a **reading book and diary** please read at home each evening (for about 10 minutes) and make sure it is in your child's book bag each day, so we can change it or hear them read. Please make a comment in your child's book, so we know they have read with you.
- **Naming clothing** – please can all clothing be named (or renamed if print has faded) as at the end of PE it took quite a while to reunite jumpers, fleeces and cardigans to children.

Finally, we just want to let you know that your children are a complete asset to you all. So, well done and thank you again.

Try to have a well-deserved break at the weekend and we will see you all again next week.

Take care

Miss Blake & Mrs Evans
