

Acorn Update: Friday 13th September 2024

After the first full week in Acorn everyone has settled in really well and have made lots of new friends. There has been lots of kindness shown by the children who were in Acorn last year towards the new starters and all the adults have noticed this.

The children in Reception are now experts at going over the road for assemblies and for lunch. They have also had lots of fun playing in the big playground at lunch time. The children in nursery are enjoying exploring the inside and outside environment of Acorn and are having lots of fun making new friends.

The Reception children have started to learn phonemes and have already learnt s a t l p n c k ck , so now they are beginning to segment and blend for reading. We will be holding a Phonics workshop to support parents in helping with phonics at home later in the term.

If your child has something they would like to talk about which they do outside school, please send a photo to the acorn email address as a talk prompt. We will print it out and put it up in the classroom for everyone to see.

Children are invited to take a class library book home each day for a bedtime story, but these do need to be returned before taking another – we have a list in case you are not sure which book to return.

Some pictures of this week's exploring and learning

On Friday 20th September children are invited to wear something 'denim' with as part of their school uniform to support Jeans 4 Genes day.

Have a good weekend – see you next week
