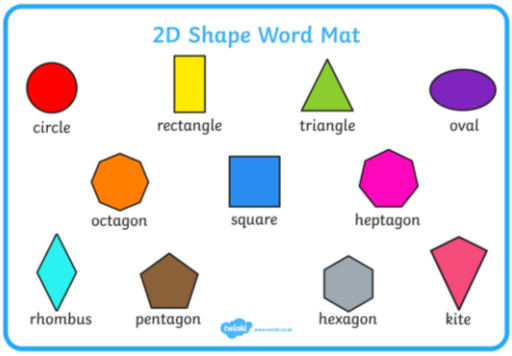
Beech Class Update 3rd October 2026

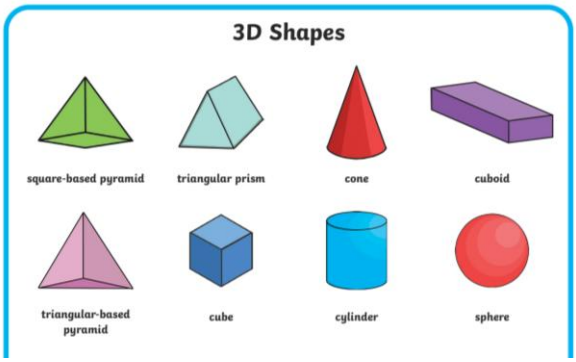
Our Weekly Update

What a busy and exciting week we have had in Beech Class!

Maths

In Maths, we have started learning all about 2D and 3D shapes. We have been naming and identifying different shapes, exploring their properties and looking carefully at the shapes we can spot around us.





Writing

In Writing, we have been getting creative and writing instructions on how to look after a baby dragon! The children have been thinking carefully about the different steps involved and how to make their instructions clear and easy to follow.

Apple Fest

We had lots of fun preparing for Apple Fest this week. The children created some beautiful apple-inspired artwork. We were very proud of their fantastic creations.

Modern Foreign Languages Day

On Friday, as part of Modern Foreign Languages Day, we had lots of fun learning some German. We practised counting and learned some new German words. We even got to try some delicious German biscuits and mini pretzels, which was a lovely way to finish our learning.

Well done to everyone for another fantastic week of learning and fun. We hope you all have a lovely weekend.
