

## Beech Class Weekly Update

### Friday 5<sup>th</sup> September 2025

We are so delighted to welcome you all back to Beech Class Community. We have had the loveliest first few days back.

At the moment we have 24 incredible members of Beech Class, 12 year 1s and 12 year 2s.

This week, we have focused on establishing routines, expectations and boundaries to support us to thrive as a team. So far so good!

By now, everyone should have received their updated reading books, reading journals and Purple Mash logins. Today you will have received your first lot of spellings/phonics home-learning. I have also added some math tasks on Purple Mash. Home-learning can be returned any time between Monday and Thursday.

We have printed the Weekly Update this week, but going forward you should be able to find the updates on our Beech Class page. On the class page, you will also find a welcome letter with some of our expectations as well as some curriculum information for this half term.

I'm so grateful to be working with each pupil in Beech Class and I extend that gratitude to all of you too. Let's do our best to work together. If you have any questions, please pass them on to a grown up at the gate or pop a note in the children's reading folders. We will do our best to help as much as possible.

Here's to a great academic year in Beech Class!

Mrs. Oliveira
