

Home learning – Wednesday 20th January 2021

Good morning everyone!

Today it is Wednesday 20th January 2021. Have a go at writing this. Look on your number line for 20, this is two tens and zero ones.

Morning task:

Reception children

Using your phoneme cards (these are in your packs), say each phoneme and do the actions.

- Watch the video of how to form letters b h m n p r (these letters are formed by saying 'up down up) then practise these on your whiteboard. Do a line of each maybe.
- Really have good go at these today and then practise the previous letters c a d g q o

Year 1

- Read and write your spelling word for this week o_e (previously taught as oa as in goat)
- Grammar: Verbs – complete the Verb sheet adding 's' to he, she, it (see grammar video for further instructions).

Maths:

Reception: Oak Academy: [Using manipulatives to count on when adding \(thenational.academy\)](https://www.thenational.academy/)

Year 1: Oak Academy: [To share a total equally and find the number of groups \(Part 2\) \(thenational.academy\)](https://www.thenational.academy/)

Please upload one example of your work onto Purple Mash so I can mark it and give feedback.

English:

- Watch the English clip
- Imagine the Lion, Katie and Jack are allowed into Buckingham palace – who will they see? What might they do? Talk with someone in your family about your ideas.
- This clip has a tour of Buckingham Palace which you might enjoy looking at: <https://www.rct.uk/resources/interactive-virtual-reality-tour-of-buckingham-palace-for-schools>

Topic: Forest school:

- Go out into your garden or around your village, look up, down and all around to see if there are any signs of seasonal change? Can you see any shoots from bulbs pushing through the ground? Can you see any buds on the branches? What else can you see that helps us to know the seasons are moving on?

Have a good day – See you tomorrow

Miss Blake
