

Beech Class Weekly Update Friday 13th December 2024

What a busy week it's been in Beech Class!

There is no spelling homework this week. It has been an unusual week with Nativity rehearsals and performances. Please go onto Purple Mash, type in 'Bond Bubbles' and encourage your child to reach the highest level they can. This is not set as a 'to do,' you will need to search for it. This is easy. There is an abundance of learning resources on Purple Mash that you can access at any point.

Number composition

By the end of next week, we will send you a photo of your child in their Nativity costume, via email!

Next week, you will also receive a short report of your child's academic progress up to now.

On the first day back after Christmas, Beech Class will be having a DT (Design and Technology) day. This will ease us into the new term with creativity and crafting! We will be designing and making draw bridges. Please save some soft cardboard (not too thick because they can't cut it) over the holidays.

Thanks a million for all your support so far this year. It is greatly appreciated.

Mrs. Oliveira, Mrs. Evans and Ms. Reeves.
