

Beech Class Weekly Update Friday 24th January 2025

Shared reading during our writing lesson. We are learning how to include factual information in our writing as we write an information text about what you would need in an explorer's kit.

In math's we are learning place value to 100. (Please practise counting to 100 often - this really supports the children!) Here we are counting in groups of 10 with manipulatives and pictorial representations:

Here we are measuring the length of children in Beech class in groups of ten.

Having some fun with our learning by measuring the length of some putty!

Here we are adding groups of 10:

Thank you for your continued support.
Mrs. Oliveira, Mrs. Evans and Ms. Reeves
