

Beech Class Weekly Update
Friday 18th October 2024

Science Investigation:

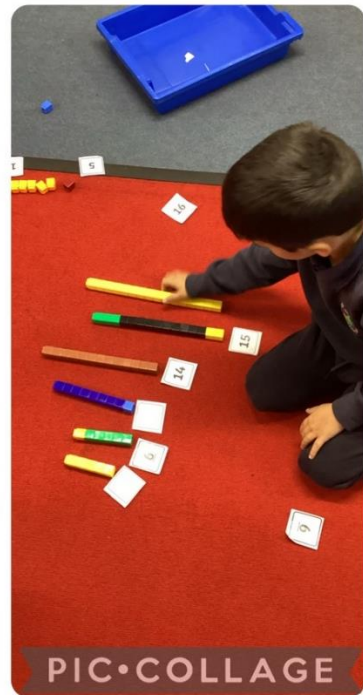

We encountered a problem: Mrs. Oliveira's table cloth was not waterproof and she was getting water stains on her wooden table! Our brief was to test materials to find a suitable material, that is waterproof, to go under her table cloth.

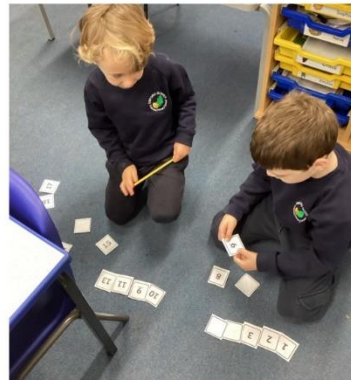

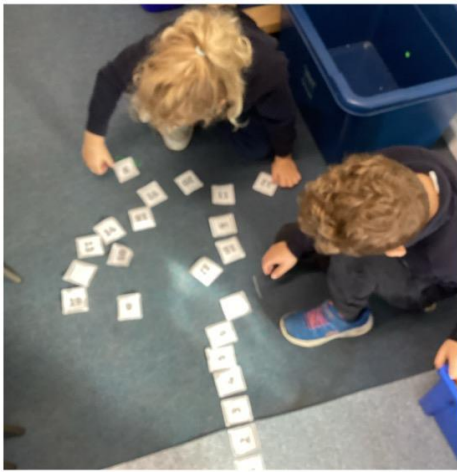

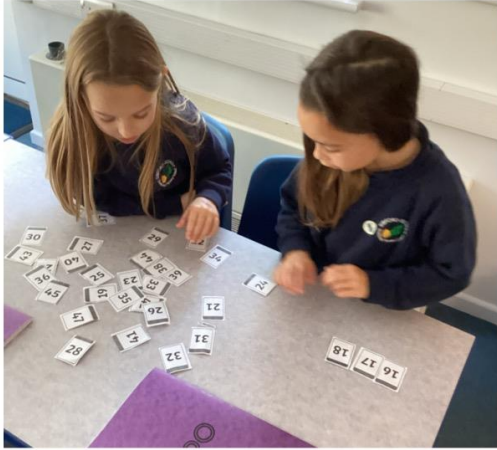

Math's: Greater than, less than and equal to

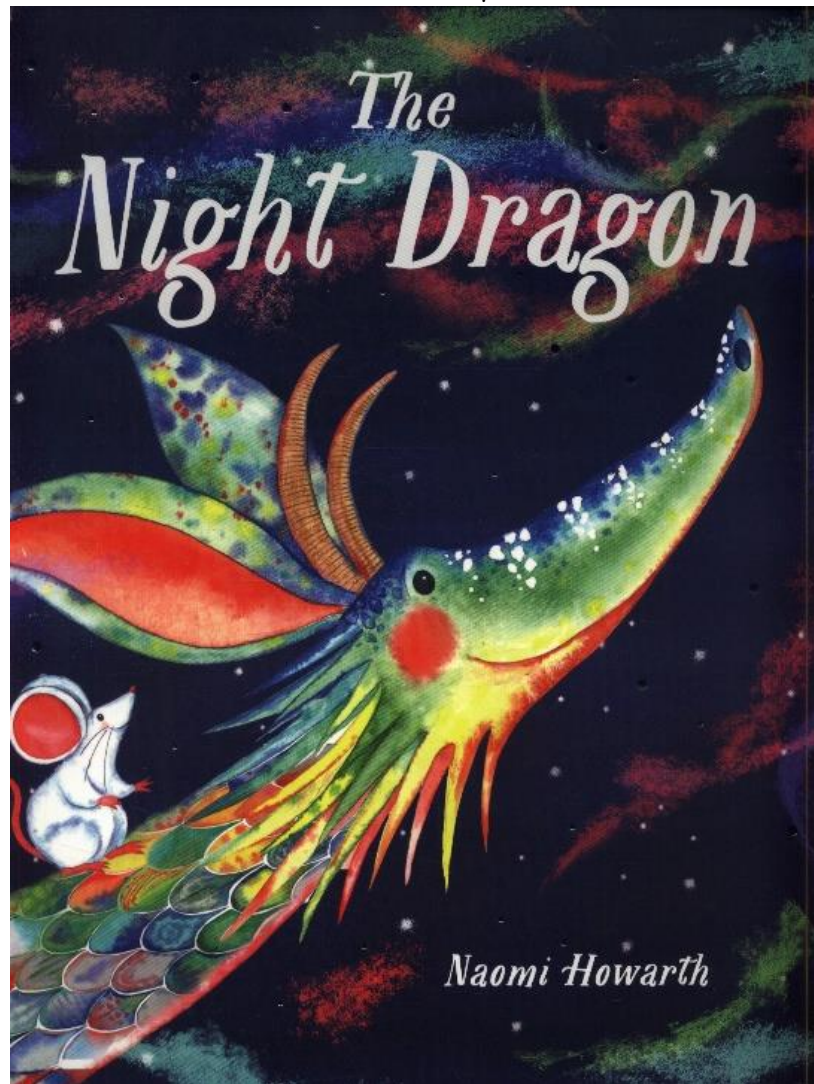

PIC•COLLAGE

Here is the book we explored this week:

What a wholesome story!

You can watch it being read aloud on Youtube too.

Thank you for your continued support.

We really appreciate it.

Mrs. Oliveira
