

## Home learning – Day one

We are so sorry to hear that you are not able to come into Acorn class today, but we hope to see you soon.

While you are at home today, we would like you to complete some of the tasks below.

We will email you to let you know what tasks need completing for tomorrow.

Have a good day

Miss Blake

### **Tasks for today:**

- Please read your reading book (even if you have already read it!) and draw a picture of your favourite part. If you don't have a reading book or if you have another book at home, which you enjoy, then please do the same task using this book. Children in Year 1 should write some sentences to explain what the story is about, what they like best about the story and why they think other children would enjoy it. Children in Reception should tell an adult these things, so they can be written for them, unless they would like to write.
- Please practise phonemes/actions and letter formation using your phoneme cards
- Please practise your spellings for this week (these are attached)
- Please practise the learn-its (Choose which ones fit with your child's ability) which are on the class page.

For topic work, we would like you to find out something about London, have you or anyone in your family been there? Watch these two videos about London and plan your own tour around the city. Write a list and or draw pictures of the different places you would like to visit and use 'because' to give a reason why.
