

We are the WOMBATS

Hot Spots

Grot Spots

We are your elected School Council. We have been around the school and asked for your views on the **Hot Spots** (the things we think are great), and the **Grot Spots** (the things we would like to change or improve).

Hot Spot

The library areas in both school buildings look bright and welcoming. They are good places to display our art work.

Children can make book recommendations and we have books which help us learn about lots of different things.

Grot Spot

The pipework from the tanks in the toilets and in Acorn Class looks very ugly. We need to find a way of concealing it.

We need to work out a way of covering the pipes which won't cause other issues if there are leaks.

Grot Spot

New School needs repainting and the leak in the roof needs to be fixed.

Hot Spot

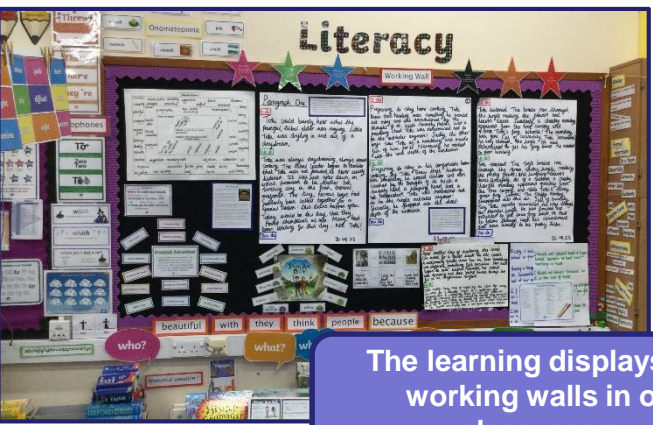

We love the 'trim trails' on both sides of the school. They are great fun to use and help keep us really fit!

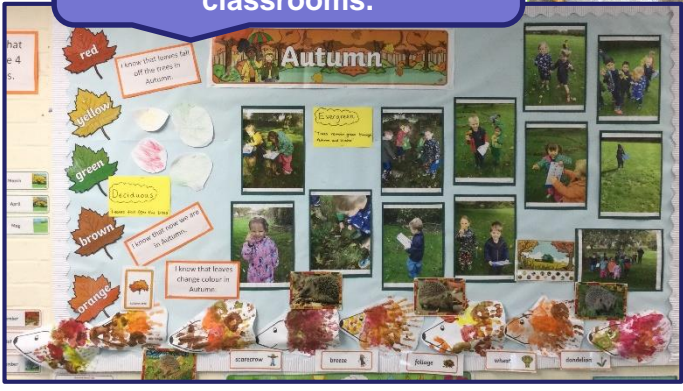

Hot Spot

The Wishing Line

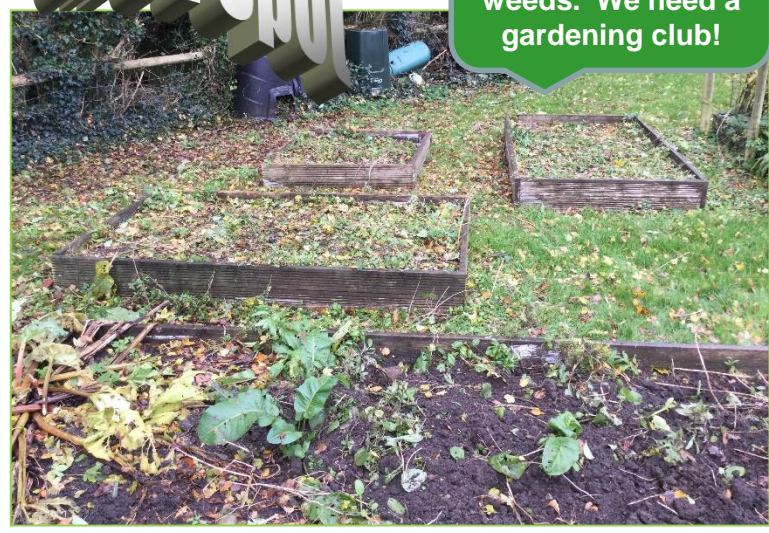

The learning displays and working walls in our classrooms.

Grot Spot

The vegetable patches are full of weeds. We need a gardening club!

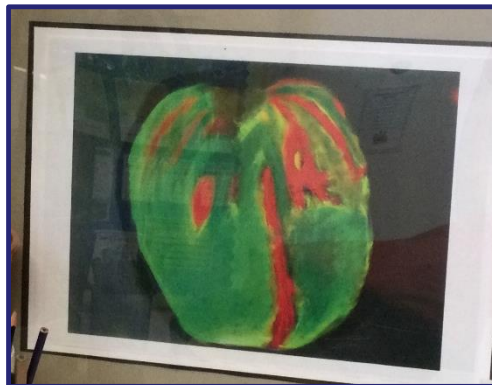

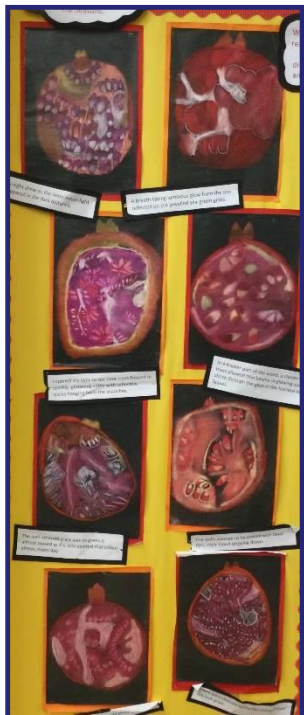

The raised flower bed in the Old School playground has some coping stones missing.

Hot Spot

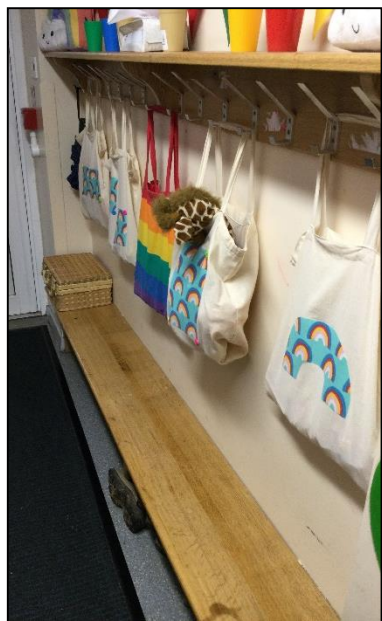

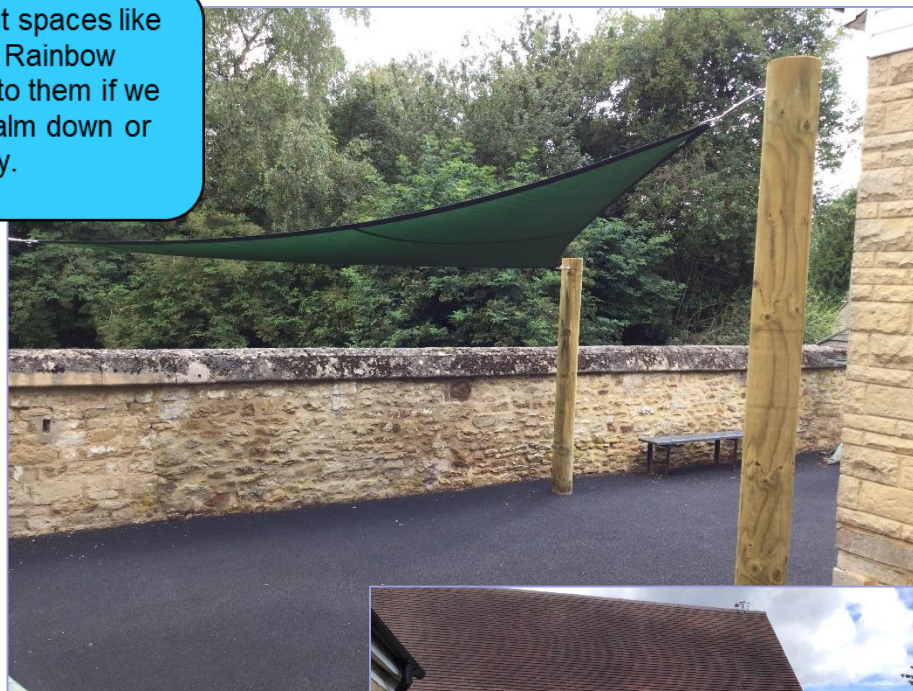

We enjoy art lessons. We also love the special art days which mean we create lots of lovely art work to display around school

Hot Spot

We love our 'break out spaces like The Nook and the Rainbow Corridor. We can go to them if we need some time to calm down or think quietly.

The Art Bay looks a lot better than it used to. However, we think that a curtain to cover the shelves would be a big improvement.

We are really pleased with the outdoor classroom. However, we now need to get some more equipment in to support our learning.

Hot Spot

We love our Big Field. We still have moles spoiling the levelled sports field though.

Grot Spot

The fences around school are covered in lichen and moss. They need to be jet washed and then repainted.

The bins in the playgrounds need to be emptied more regularly, especially in the warm weather, to stop the wasps coming.

The lunch box storage box needs replacing. This one is too big, the wheels are broken and it looks ugly.

Hot Spot

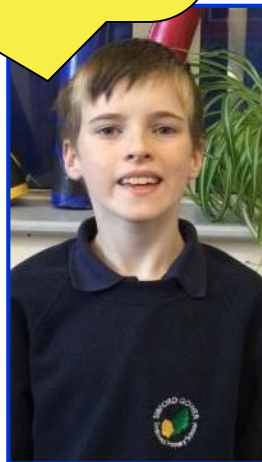

The trophy shelf is a Hot Spot. It celebrates people's achievements.

If you think we've got it wrong, or you would like to tell us about some more

Hot Spots or **Great Spots**

Please tell your class representative.

Dylan Mannix

Chairperson,
WOMBATS School
Council

All our staff in school are 'Hot Spots' too!
