

# We are the WOMBATS

Hot Spots

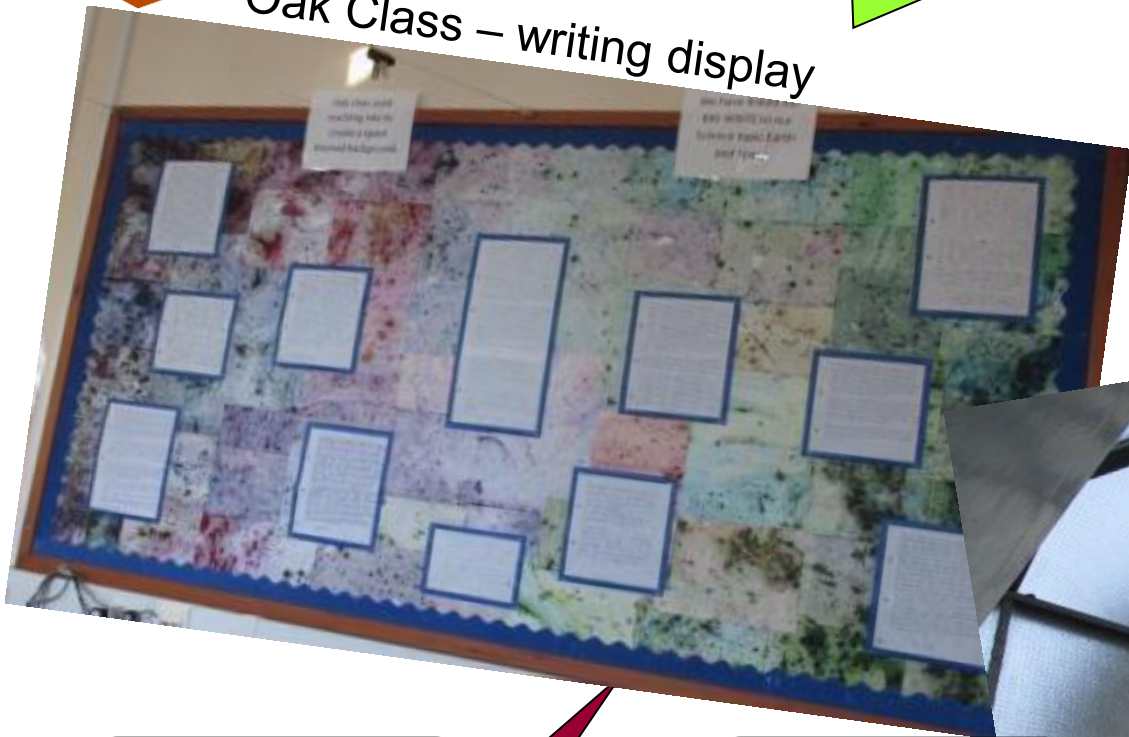

Grot Spots

We are your elected School Council. We have been around the school and asked for your views on the **Hot Spots** (the things we think are great), and the **Grot Spots** (the things we would like to change or improve).

# Hot Spot

Oak Class – writing display

Its stunning. It brightens up the classroom.

Owen

# Grot Spot

People need to put their paper towels in the bin and not wipe soap on the wall.

It really looks like you're in space.

Alicia S.

It looks really messy where they throw the paper towels up

Old school boys toilets

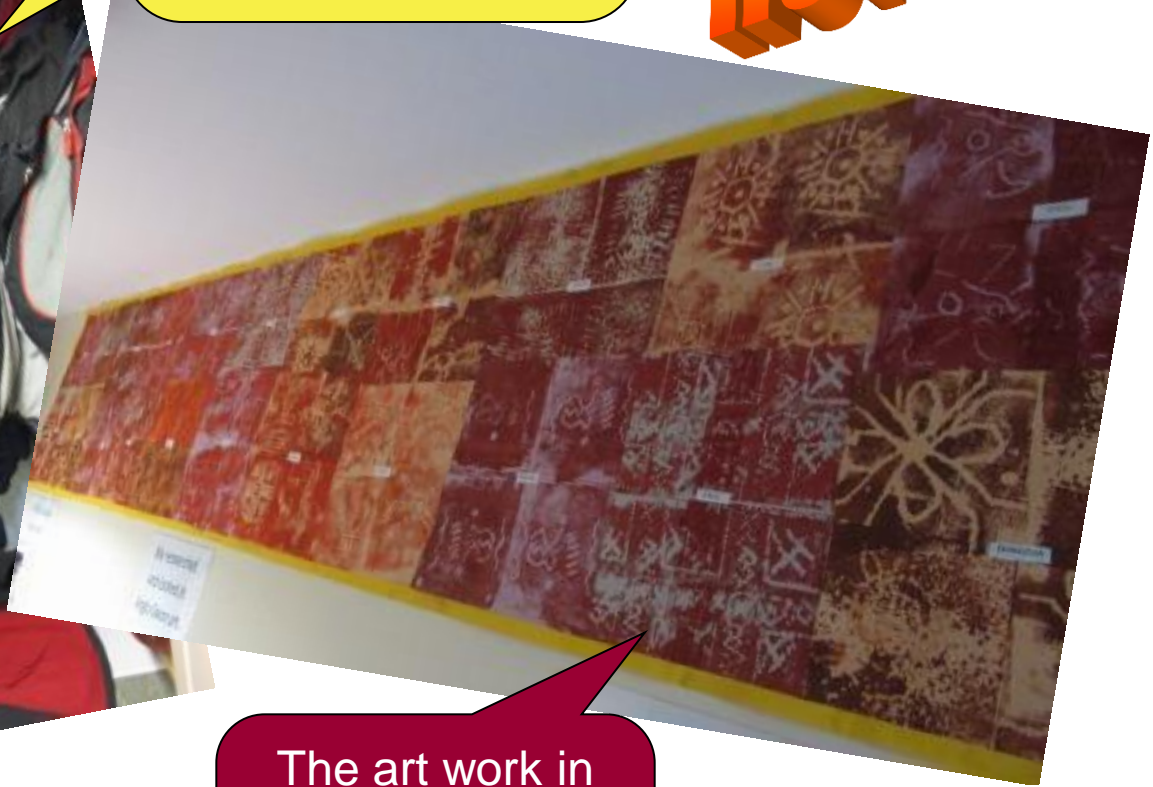

# Grot Spot

Oak Class cloak room is much too narrow !

People don't pick the coats up off the floor. It can be dangerous if there's fire.

# Hot Spot

The art work in the cloakroom looks good. It was fun to do.

# Hot Spot

The Tibetan Display

It's cool because you can learn by just looking at it.

# Grot Spot

The books get really untidy. We need some new ones.

The book shelves in the library.

# Hot Spot

The art work  
around Old  
School

Its much better.  
There's more of  
it and the school  
looks brighter.

# Hot Spot

The reading book challenge in Maple Class. I remember doing that when I was in here.

The prehistoric cave in Willow Class. It's really cool. Are those stalactites or creepers?

# Hot Spot

The View over the valley

We do need some more outdoor play equipment though.

Its better when we can play on it because then we can play football too.

The climbing equipment is good, although it does get a bit muddy underneath sometimes.

The hall.

# Grot Spot

People should stop kicking balls on the windows. We need to clean them again.

Its really messy. People print stuff and then just leave it in there. They don't tidy up - Gemma

# Hot Spot

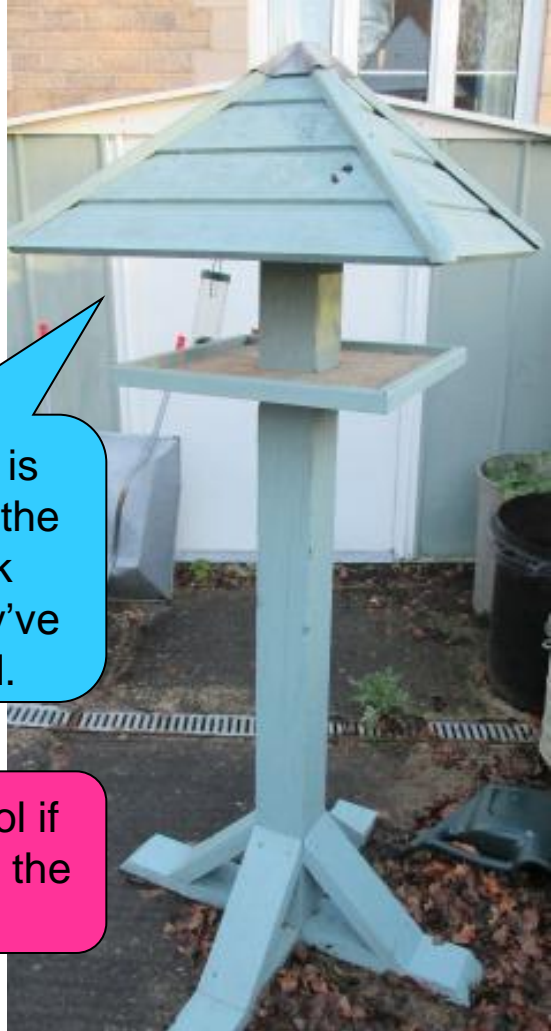

**Grot Spot**

The outdoor garden is a grot spot but it could be really good.

Its good to have a water butt. Its really full.

The bird table is really nice and the benches look better now they've been painted.

It would be really cool if we got the camera in the bird box working.

# Hot Spot

The raised beds are really good. We planted lots for 'Digging for Victory with mums and dads..

The bug hotels are awesome !

People just chuck their stuff in and it misses and they don't pick it up.  
- Summer

This looks really boring  
- Rebekah  
We need to plant something in it - Luca

The fence is too low. Whenever we play football, the balls go over.

## Hot Spot

The view over the valley is amazing!

But the orchard would be much better if it was tidied up. The ground is really uneven and there are lots of nettles.

## Grot Spot

Its not good to have the bins in the playground. Sometimes they look really scruffy.

The doors under Oak look really bad. If you were showing anyone our school, you wouldn't want them to see that bit. - Gemma

# Hot Spot

The big field is awesome. It's great for playing football and you can run and play in the trees. It's good to use for Sports Day..

The Sport Shed is reeeaaally bad! It's such a mess. People just open the door and throw things in. We need to tidy it up and then keep it tidy.

# Grot Spot

The children in Acorn Class really like their learning space, but they did find some 'Grot Spots'!

We love Pepper the rabbit....

...but it's really untidy under her table. We need some boxes.

And her run needs to be nicer for her. She needs some grass.

# Hot Spots

We like our 'school' role play area, and the art bay.

Our phonics display helps us to learn.

Remember the 5<sup>th</sup> of November  
Gun Powder, Treason and Plot

I like the housepoints. You get them when you do good things - Olivia

Our nocturnal creatures displays are really good.

The pictures in the toilets are nice.

But sometimes people don't flush the toilet - Reuben

All the balls go outside. They are really fun - Reuben

The shed outside is a bit dull and dirty - Tristan.

In Beech Class ...

# Grot Spots

Lots of our lights don't work & it makes the classroom really dark.

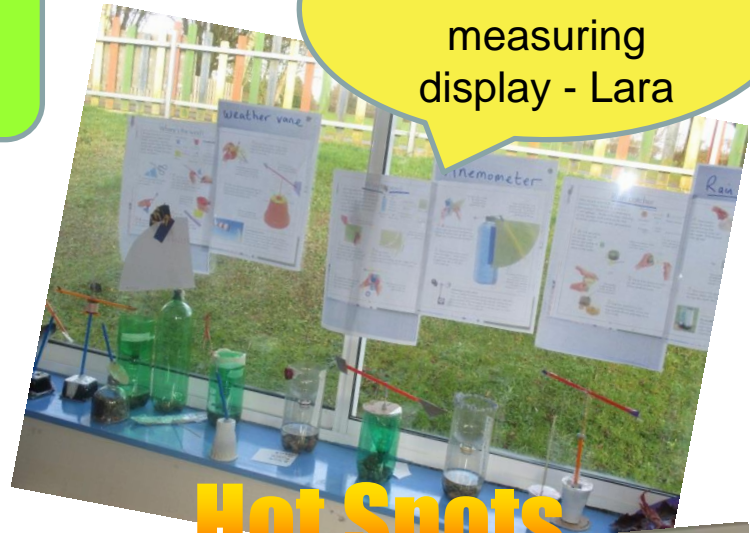

We need to make a space you can sit in. That would make you want to read. - Lara

We need to sort out our books – big books, little books – Rawdon.

I like our weather measuring display - Lara

# Hot Spots

Our Houses of Parliament firework display brightens up the classroom.

The ICT suite is good. It looks nice and tidy and we learn a lot about using computers there. We can use the room for other things too.

## Hot Spots

The library looks much brighter now. There's lots of our work up.

If you think we've got it wrong, or  
you would like to tell us about  
some more

**Hot Spots** or **Grot Spots**

Please tell your class  
representative.

Luca & Rebekah - Chairpersons, WOMBATs School Council
