Yes No

Step 4: Setting and attendance details- parents/carers to complete

You need to agree and complete this declaration form with each setting your child attends for their funded entitlement in order to ensure that funding is paid fairly to each of them. Your provider should help you to complete this section.

Your child can attend a maximum of two settings in a single day and if your child attends more than one setting the local authority will distribute the funding appropriately between the settings. No session can be longer than 10 hours.

To note: the maximum number of funded hours your child can receive is:

1) for 2-year-olds in families receiving additional forms of support: 15 hours a week for 38 weeks of the year = 570 hours.

2) for children aged from 9 months of eligible working parents: 15 hours a week for 38 weeks of the year (this will increase to 30 hours from September 2025) = 1140 hours. For 3 and 4 years old this can be combined with the below entitlement to a maximum of 30 hours.

3) for all 3 and 4YOs: 15 hours a week for 38 weeks of the year = 570 hours.

Please note some settings offer a 'stretched funding offer'. This means that the maximum amount of funding per year can be 'stretched' over more than 38 weeks. For example, if your child is offered funding for 50 weeks of the year and the maximum term time only funded hours your child can receive is 15 hours per week, then your total funded hours per week will be 11.4. The calculation for this would be 15 funded hours x 38 weeks = 570 hours per year then 570 hours / 50 weeks = 11.4 funded hours per week.

Your child cannot attend more than 15 or 30 funded hours per week over fewer than 38 weeks of the year. However, a parent can choose a setting that is open for fewer than 38 weeks of the year and therefore receive 15 or 30 hours a week during fewer weeks.

Please fill out the grid below and ask your provider to explain in more detail if you are unsure.

Setting name:	Mon	Tues	Wed	Thurs	Fri	Total no. of hours per week	Total weekly charge	No. of weeks per year (e.g. 38,45,51)
Total funded entitlement hours attended per day							n/a	
Total extra (chargeable) hours per day								
Total daily hours attended								

To fill in if your child attends more than one setting:

If your child is splitting their funded entitlement across more than one setting, please nominate their main setting:

Step 5 Provider to complete with parent:

Additional charges: Government funding is intended to deliver 15 or 30 hours a week of free, high quality, flexible early education and care. The 15 or 30 hours must be able to be accessed free of

charge to parents; that is, there must not be any mandatory charges for parents in relation to the free hours.

Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Providers can charge for consumables, meals and snacks, extra activities and additional hours provided they are not mandatory charges or a condition of accessing a place.

The costs of chargeable extras should be published on provider websites or, where they do not have any website, on local authority Family Information Services. These should be clear, up-to-date and easily accessible to parents, to enable parents to make an informed choice of provider.

Provide details of the charges made for consumables and additional services and itemised details of what these charges relate to:

This declaration is your evidence of a claim and must be retained for seven years to complete claim forms and for future reference, including auditing. Please note you may be asked by Oxfordshire County Council to produce evidence of a claim at any time.

It is a requirement of the EYFS for providers to 'enable a regular two-way flow of information with parents and/or carers, and between providers, if a child is attending more than one setting' (section 3.68 'Information and records'). By signing the below statement, you are agreeing to share information with the provider named by the parent, if the parent has indicated they wish to split funding.

Please indicate documents seen by completing the relevant box below. Early Education Funding must be used strictly in accordance with the Early Education Funding Terms and Conditions.

Parents should only be asked to re-sign their parental declaration if the information on the current form changes. For example, if:

- they want to reduce the number of hours they take up
- change the days their child attends
- change which settings their child attends
