Willow Class Letter
Term 2
2026

Dear Parents and Carers,

I hope you have all had a lovely half term holiday. I'm very much looking forward to seeing the children. Please see below information and homework for this term.

Homework

Maths: It is extremely important that your child continues to focus on learning their '**Times Tables**', these are a fundamental part of the maths curriculum. By year 4, children should be able to recall all timetables. Below are some great websites to support with this.

Times tables games - Timestables.co.uk
Purple Mash by 2Simple
Multiplication chart 1-100 and 1-12 on Timestables.com

Weekly maths- Each week I will be sending home a weekly maths task, this will connect with the learning we have completed that week.

Spellings: Our weekly spelling test will continue to take place every Friday morning in class. The spellings will be sent out on Fridays and are due back Wednesdays. They can also be found on our class page. It is important that these are being practised at home.

Home learning projects: This term, our theme is 'Light and Lenses' (A geography and science-based topic). The children are going to adore this topic- It is one of my favourites!
Have a look at the topic homework sheet; please complete at least two projects. As always, these are only ideas.
We will be having a topic homework celebration 'in house' as this term is super busy. The children will be able to show and share

their wonderful projects to each other.
DUE- Monday 7th December

Reading: Do not forget that reading is very important and is part of your homework requirement too. Again, I will be sending out 'Reading Records sheet's' to support reading at home. This allows me to monitor this within school, so please do encourage the children to read AND record it.

PE: PE sessions continue to take place every **Tuesday and Friday.** Children are required to come into school in their full PE kits. **A change of shoes and socks are needed as we approach the winter months and muddy weather.** As always, during the autumn term, please make sure the children are wearing lots of layers- we plan to be outside as much as possible.

General

Each week, I will write a weekly update sharing our work, photos and activities for that week. This will be uploaded on Friday afternoons onto the Class page.

If you have any questions or queries at any time, please feel free to pop in or email the school office.

With very best wishes

Mrs Davies and the Willow Class team x
