

Week beginning 12<sup>th</sup> January 2026

Beech Class Update

Happy New Year! 😊

Firstly, we would like to thank you from the bottom of our hearts for the kind words, cards and generous gifts before the holidays. They are unnecessary but greatly appreciated. Thank you.

Last week, although we only had three days, we began our topic work learning about some world changers. We learned about Florence Nightingale and Mary Seacole. The children compared the lives of both women.

In PE the children began their unit on Fundamentals and Gymnastics. Both units will continue throughout the term.

In computing, we were coding:

## Maths: The Composition of 8

In English, we are reading the books, *Dear Earth* and *10 things I can do to help my world* (Melanie Walsh). Soon, we will be writing letters to the earth too.

### Updates and reminders:

- Homework will continue to go out every Friday and should be returned by the following Thursday.
- Please read at home as often as possible and keep a record in your child's reading journal.
- PE takes place on Tuesday and Wednesday afternoons.

Thank you for your continued support.

Mrs. Oliveira
