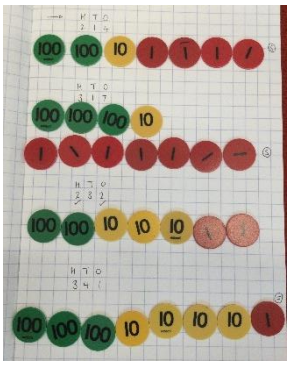
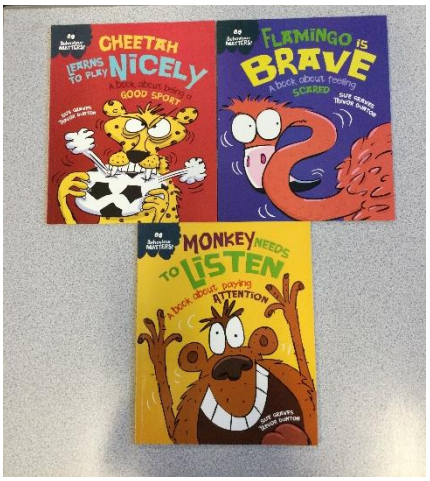
Weekly Update
Friday 11th September 2026

What a wonderful week we have had! The children have really immersed with our learning this week and we have had many enjoyable and exciting moments!

Maths- We are on the **place value** train in maths. I have been blown away by their motivation this week. We have been working hard on our mathematical language and being able to explain our answers and the mathematical process we went through. We have had a real focus on representing numbers this week. The children have been able to show this in many different ways.





Book Club

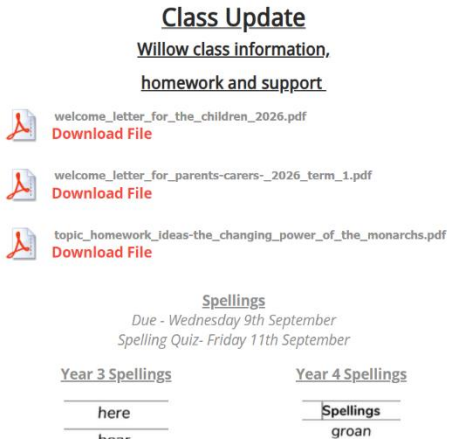
We love 'Book Club' in Willow Class. Every Thursday we have our very own book club. Each week we have a different theme. This week we had a focus on feelings and emotions. Each adult had a different book, the children got to pick which book they wanted to listen too. It was a lovely moment indeed!

Our WISH GRANTERS

In literacy, we have been creating our very own 'Wish Granter Machine'. I was blown away by their imagination, creative and some 'wild' designs. Next stop, writing about how they work.

The Wishgranter - Literacy Shed We watched this video to support our learning, many children wanted to watch the link at home too.

Homework- Weekly spellings, timetables challenge and reading (in their folders)



In regards to reading, we do not tend to send home reading books in KS2. However, I am more than happy to send home books if you wish, this is not a problem. Just let me know and I will pop one into their homework folders.

Please never worry about homework, if your child forgets their folder, it can always be found on our Willow Class page. Secondly, if homework is a challenge please do speak to me, it is never my intention to cause worry or stress! **As a team, we can support with this. Communication is key!**

Willow Class dates and reminders. Please do take the time to visit our class page. You will find all our information for Willow Class on there. As always, if you have any questions, please feel free to catch me at the gate or email the office.

With best wishes, Mrs Davies and the Willow Class Team x
