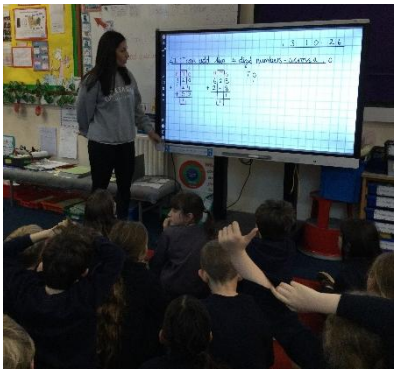
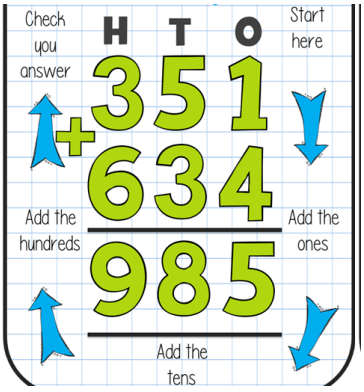
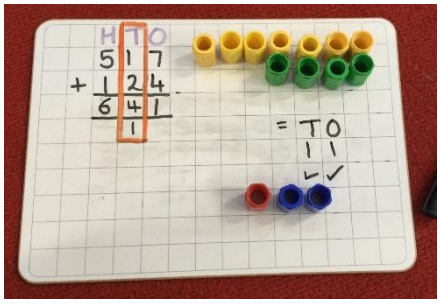
Weekly Update
Friday 16th October 2026

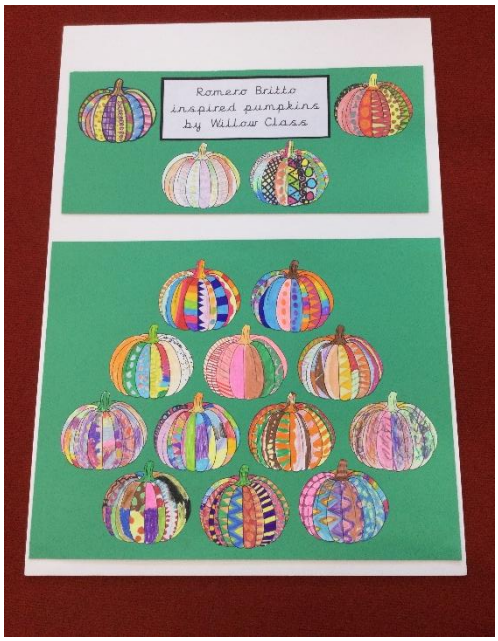
What a wonderful week we have had! The children have really immersed with our learning this week and we have had many enjoyable and exciting moments!

Maths:- This week we have started our 'addition' journey. We have enjoyed learning new methods to support our learning as well as understanding the importance of what the question is asking. They have blown me away with their focus, motivation and enjoyment for this method!









Our amazing HARVEST artwork. We had a wonderful day researching and learning about the artist Romero Britto. We created our very own in a similar style!

***Romero Britto**, founder of the **Happy Art Movement**, is an internationally renowned artist who has created an iconic visual language of happiness, fun, love, and hope all its own inspiring millions worldwide.*

Geography

The children blew me away this week in Geography. We have been learning about counties. The children really enjoyed locating counties and finding out what county they live in and their family members.

'The Changing Power of the Monarchs'

Willow Class Homework Celebration
Monday 19th October

All parents and carers are welcome to come into the classroom to celebrate the children's contributions – 2:45pm to 3:10pm

A little message regarding next week...

As you are aware, I am going on the school residential with Oak class (Tuesday-Friday). Willow Class are in safe hands with Mrs Williams, Mr Cameron and Mrs O'Sullivan (all very familiar adults). They have some lovely activities planned including art days, music themed afternoon and Pe, all whilst sticking to our Willow Class routines for consistency. The children are all aware and are looking forward to their exciting week in school. I will be checking in daily too 😊

Have a lovely weekend, enjoy the sunshine

With best wishes, Mrs Davies and the Willow Class Team x
