

Weekly Update

Friday 25th April 2025

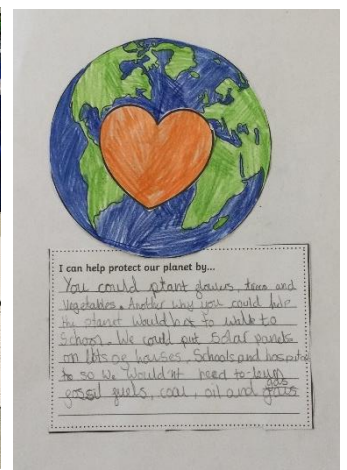

Term 5 already... this year is flying by!
It was lovely to see my smiley Willows
and hear all about their Easter break!

Tuesday 22nd April was Earth Day (A lovely day to come back to school) We took part in a range of different activity and came up with some amazing ways to look after our wonderful world!

We finished our day by creating delicious 'Earth Day' biscuits. I think you will agree, they look fantastic!

Literacy

In connection with our new theme this term (*Mountains, Rivers and Oceans*) we started looking at our next piece of writing. The children (and us!) were blown away by the video- we cannot wait to write our stories!

The children have asked that I share the video for them to show families at home. In school we watch it through Literacy Shed but I have been able to find it for them via 'you tube'. Please do support with this as there may be adverts before hand

The purple heather sways in the breeze like a fluttering feather.

The breath-taking view surrounds the large, ridged mountains.

The thin, lumpy log balanced in between two sturdy rocks.
