

Weekly Update

Friday 7th March 2025

What a wonderful week, the sunshine has definitely helped!

Apologies for the internet error last week. However, we now have a problem with our printer this week! (technology ey!)

Regarding homework, I have set their maths via purple mash. I was able to print the spellings out before it decided to stop working!

(pheew)

← Home/Mathematics/Measure/Distance, Mass & Capacity/Age 7 - 9

Measuring Length	Measuring Length - 2	Equivalent Lengths 2	Adding Lengths	Subtracting Lengths
------------------	----------------------	----------------------	----------------	---------------------

Mixed Measures, Units & Converting:

Equivalent Lengths	Comparing Lengths	Measurement - Comparing Mixed	Convert units of measure 2
--------------------	-------------------	-------------------------------	----------------------------

If there are any issues with the purple mash 'to dos'. Please search 'length' and the following areas will appear.

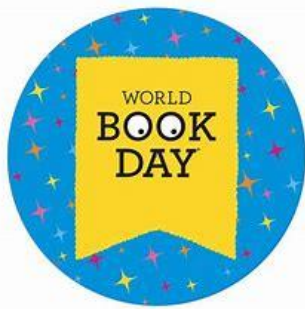

← Home/Mathematics/Measure/Distance, Mass & Capacity/Age 9 - 11

Mixed Measures, Units & Converting:

Units of Measurement	Converting Units Of Measurement	Converting Measures	Imperial Units	Prefixes - Unit of Measure	Converting Measures	Converting: Length, Weight & Volume
Converting - Miles and KM	Convert measures to solve problems	Convert units (m and mm)	Converting Units: Metric	Converting Units: Calculations	Converting Units: Miles & Kilometres	Converting Units: Imperial

Maths

This term, we have been learning about length. The best way to learn is to be 'hands on' so we took part in a 'measure investigation' in class, this supported us in our understanding of the different units of measure. We are now able to work equivalent lengths too!

We all had the most wonderful day- we started with a whole school assembly where we could see what everyone dressed up as. It was lovely to see how creative everyone was!

In the theme of 'World Book Day', we became word/book detectives. We had to find a book for every letter of the alphabet! This was GREAT fun and got our brains thinking! We managed to complete the challenge!

Upcoming Events/Information

Friday PE- Our theme this term is 'fitness Circuits'. Please can I ask that girls do not wear tights. They need to be bare foot. In addition, I recommend no skins; the hall does get very hot. Thank you.

Swimming- Please do remember your swimming hats!

Homework- Spellings, reading, maths (all in their folders but can also be found on our class page) [Willow Class \(Years 3 & 4\) - SIBFORD GOWER ENDOWED PRIMARY SCHOOL \(sibford-gower.oxon.sch.uk\)](#)

Topic Homework- A huge thank you to everyone who came to our celebration on Monday. What a lovely start to our week! Your support is always greatly appreciated.

*Have a lovely weekend, enjoy the sunshine.
Mrs Davies and the Willow Class Team x*
